

REMARKS/ARGUMENTS

Claims 7-15 are pending in this application. By this Supplemental Amendment, Applicant amends Claim 14.

Applicant's counsel greatly appreciates the courtesies extended by the Examiner in the Telephone Interview on December 4, 2009. In the Telephone Interview, the Examiner alleged that Claim 14 was in improper form and should be rewritten in independent form. The Examiner indicated that Claim 14 would be allowable if rewritten in independent form including all of the features of Claim 7.

Although Applicant respectfully disagrees that Claim 14 was in improper form, in order to expedite prosecution of the present application, Applicant has amended Claim 14 to be in independent form including all of the features of Claim 1.

In view of the foregoing amendments and remarks and the amendments and remarks presented in the Amendment filed on December 1, 2009, Applicant respectfully submits that Claims 7-15 are allowable.

In view of the foregoing amendments and remarks and the amendments and remarks presented in the Amendment filed on December 1, 2009, Applicant respectfully submits that this application is in condition for allowance. Favorable consideration and prompt allowance are solicited.

The Commissioner is authorized to charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 50-1353.

Respectfully submitted,

Dated: December 9, 2009
